- (Prior Notice) The notice below is effective starting from 2022 GKS-U Selection.

[※ Restriction for GKS scholars who are reapplying to the program]

Former applicants who had withdrawn from the scholarship after being selected as GKS scholars (applicable to those who did not come to Korea after being selected as GKS scholars and who had dropped out or resigned from their studies) in the past are strictly NOT eligible to apply.

*Exception: However, a former GKS scholar whose scholarship forfeited his or her scholarship due to a scholar's failure to achieve TOPIK level 3 or above after completing the one year Korean language program may be deemed eligible to reapply if a scholar obtains **TOPIK level 5 or above**.

- If a GKS scholar withdraws from the scholarship within the first 3 months after entering Korea, one MUST return the full scholarship amount that he or she has received after being selected as GKS scholar. This will include the airfare from one's home country to Korea, settlement allowance, monthly allowance, language training fees, medical insurance fees, and etc.

3. Restriction on changing universities and major

- Changing the university or major (including transferring to a different university or department) under this scholarship is NOT, in any case, permitted.

4. To applicants who are residing in Korea

- If you are selected as a GKS scholar while residing in Korea, it is your responsibility to take care of all the visa matters such as visa change, extension, and etc. You will have to check with the immigration's office ahead in order to prevent inconvenience and obstacles that may occur regarding visa issues. If a scholar has to go back to one's country for a visa change, you will have to pay for the airfare at your own expense.
