Sault Ste. Marie.

- In the heart of the Great Lakes
- Population: 75,000
- Beautiful surroundings to explore in every season
- 1-hr 15-min flight from Toronto

Why ESL@Algoma?

English for Academic Purposes Program (EAPP)

- Designed to prepare students for their future academic studies
- Personalized instruction for various academic streams (i.e. business, computer science, humanities & social sciences)
- Each level takes 14 weeks to complete, 24-32 hours of instruction per week
- Options to audit academic classes and recognize academic credits
- Extensive individual attention given to all students including one-to-one tutorials
- Fun cultural outings throughout the semester
- Volunteer opportunities

Short-Term ESL Program (STEP)

A customized program ranging from three to six weeks for international clients and partners with specific focuses on:

- Volunteerism
- Leadership and team management
- Canadian business and entrepreneurship
- Canadian fine arts and indigenous arts
- Professional English language training (for working professionals)
