

Study Abroad at the **University of Northern Iowa**

About UNI

The University of Northern Iowa (UNI) provides a high-quality and diverse educational experience, purposefully guiding students to find and develop their strengths and prepare them for success. Building on its historic excellence in teacher education, UNI has developed outstanding programs in business, humanities, arts, sciences, and social and behavioral sciences.

- Located in Cedar Falls, Iowa
- Population of around 160,000
- Established in 1879
- Enrollment of around 12,000 students
- Over 160 major, minor, and study areas
- Average class size is about 23 students
- 60 countries represented in our study body

Campus & Community Life

Exchange students at UNI get the true college life experience in a safe and small setting. Iowa students are welcoming to new students and enjoy having international students get involved!

- More than 300 student organizations to get involved in
- Attend UNI social activities, festivals, shows, and concerts
- Cheer on our teams, students go to the events for free!
- Cedar Falls is a welcoming community and has benefits of urban life in a safe, small setting
- Centrally located between Chicago, Minneapolis, and St. Louis, all within a few hours drive
- The Study Abroad Center organizes 3-4 free activities each semester for exchange students to get to know American life and culture as well as our local area!

Areas of Study

Exchange students are allowed to take classes from any subject area and combine different fields (take courses from multiple colleges). Below are the colleges on our campus:

College of Business Administration | business.uni.edu

UNIBusiness is accredited with the gold standard of business school and a distinction earned by fewer than 5% of schools worldwide. Named one of The Princeton Review's Best Business Schools.

College of Education | coe.uni.edu

COE students have numerous opportunities for student teaching and field experiences in a wide variety of settings, including rural, urban and international schools. The student-faculty ratio is 13:1.

College of Humanities, Arts, and Sciences | chas.uni.edu

CHAS is known for high placement rates in graduate schools, medical schools, and the private sector. Undergraduate science research is readily available.

College of Social and Behavioral Sciences | csbs.uni.edu

CSBS students present original research, exchange ideas and learn more about their areas of study during the annual Student Research Conference, which brings Midwestern graduate and undergraduate students to campus.

Housing & Meals

Living in one of UNI's residence halls will put students in the thick of college life: dining, classes, computer labs, recreational facilities, activities, and more. UNI has 9 residence halls and 4 apartment complexes on campus. To check out the cost of housing and dining, check out dor.uni.edu. It is recommended for exchange students to live on campus while at UNI.
